Dear Sirs

Our Client: Mr John Nugent Hillier and Mrs Ann Hillier

Thank you for your email of 5th August 2022.

Unfortunately, our client's original Deeds are with Land Registry, so we are unable to check the plans attached to them.

We are however, sending a copy of your conveyance plan to our clients and ask for confirmation that the land indicated does not form part of the property. We will come back to you as soon as we hear.

Yours faithfully

Judith Haines
